

Please Help Remind President KABILA  
**To Rehabilitate Lemera Hospital**

*The hospital was destroyed in 1996 when it was used as a launching site of the war that brought President LD Kabila to power*

**Please click here to  
sign a petition to remind  
President Kabila to rehabilitate this hospital**

## TAKE ACTION

In clear violation of Geneva Conventions, the Lemera Hospital was completely destroyed in 1996 after being used as a launching site of the war that led Kabila to power, yet no steps have been taken by the Congolese government to rehabilitate it.
